Laurel House

Laurel House is a drop-in centre for adults living with mental illness.

Beacon Community Services is committed to promoting the self-sufficiency of individuals living with mental illness by providing a therapeutic social setting.

*A place to drop in and be yourself —
socialize, develop skills
and make connections.*

LAUREL HOUSE HISTORY

For over 35 years, this inviting 1905 character house has been home to programs that support individuals living with mental illness. Beacon Community Services began managing the program in 2007 with a focus on member-driven programs that focus on life skills and self sufficiency. Members enjoy a therapeutic community that includes creative activities, meals, special events and more.
