

Beacon Community Services

People Helping People

Beacon Community Services is a community-based, not-for-profit, social, employment, health, recreational, housing and volunteer services agency, offering a wide range of programs and services to thousands of clients in the Capital Regional District.

Our strongly knit family of employees and volunteers promotes independence and self-sufficiency with dignity, respect and compassion. We help people to help themselves, and it is a job that we have grown into over the past three decades.

Services we offer include:

- Counseling and Mental Health Services
- Employment Services
- Home Support
- Housing
- FASD Program
- Assisted Living and Dementia Care
- Meals on Wheels
- SHOAL Activity Centre
- Volunteer Services
- Thrift Shops

Youth and Family Services

Youth and families turn to us for counselling, mediation and respite to promote healthy relationships and the development of life skills. Funded by the Ministry of Children and Family Development, services are client focussed, outcome oriented and adhere to a family systems perspective.

Community Action Supporting Youth (CASY)

CASY supports teens and families who are experiencing challenges and conflicts in their relationship. The program offers counselling for youth, mediation for the family, and restricted care or respite for those who require separation in order to reconcile.

One Child at a Time

In partnership with the Ministry for Children and Family Development the program provides support to families who are in the care of, or are about to come into the care of the Ministry. The program supports each individual and the family relationship. Referrals to the program are provided by the Ministry.

Parent-Teen Conflict Resolution

Community Outreach Facilitators support parents and youth who seek to resolve their differences and who want to live together peacefully and respectfully.

Facilitators help participants identify sources of conflict and develop effective problem-solving and communication skills. Parents and teens work together towards creative and positive solutions.
